

NAME

bcmp – compare byte sequences

LIBRARY

Standard C library (*libc*, *-lc*)

SYNOPSIS

```
#include <strings.h>
```

```
[[deprecated]] int bcmp(const void s1[.n], const void s2[.n], size_t n);
```

DESCRIPTION

bcmp() is identical to **memcmp(3)**; use it instead.

STANDARDS

4.3BSD. This function is deprecated (marked as LEGACY in POSIX.1-2001); POSIX.1-2008 removes the specification of **bcmp()**.

SEE ALSO

memcmp(3)
