NAME
update-ieee-data – update data files from IEEE Standards Association such as the OUI and IAB lists

SYNOPSIS
update-ieee-data

DESCRIPTION
update-ieee-data fetches the current version of the OUI and IAB lists from IEEE Standards Association and installs it, if the installed versions is older than 5 days.

This utility requires curl, wget or libwww-perl to be installed.

OPTIONS
-q   Be quiet. Do not output messages.

-f   Force the update, even if the file is newer than 5 days.

FILES
/var/lib/ieee-data
Directory with the updated listings.

AUTHORS
Filippo Giunchedi <filippo@debian.org> and Luciano Bello <luciano@debian.org>.
